Township of Lower Merion Parks & Recreation RECREATION INFORMATION FALL 2024

Lower Merion Township offers a variety of programs, for both children and adults, year-round. Basketball, Pickleball and Tennis Clinics, Yoga Bone Boost Classes, Ultimate Frisbee Clinics, Steel Soccer, Soccer Shots and HappyFeet Programs, Shining Knights Chess Club, Abrakadoodle Art Classes, and Play-Well Technologies and Built By Me Classes, Mad Science Workshops, US Sports Institute Classes and much, more.

Please visit our website <u>www.lowermerionrec.com</u> for a current schedule of programs and classes.

If you do not have on-line access, no need to worry. You can still mail or walk-in to register for programs and pool memberships.

REGISTRATION INFORMATION

You will be considered registered for a program only after the proper forms and fees are received. Payment is due at the time of registration. Checks should be made payable to "**Treasurer, Lower Merion Township**". Registrations without accompanying fees will NOT be processed. Nonresidents (including Narberth Borough) will have a higher registration fee.

Nothing stops a program in its tracks faster than everyone waiting until the last minute to register. Many of our programs need a minimum number of participants to run so a program may be cancelled if there are not enough registrants. Minimum number must be reached at least one week prior to the start of the program. Please note, **Fall registration will open August 1 (August 15 for Non-Residents)**

ON-LINE REGISTRATION

The Parks and Recreation Department uses a software system for our Membership and Program Registration. This program enables participants to view programs offered and register on-line (convenience fees may apply). If you have on-line access, please visit <u>www.lowermerionrec.com</u> to create or log in to your account.

MAIL-IN/WALK-IN REGISTRATION

Registration forms can be mailed in or dropped off to our office, located in the Township Administration Building. Envelopes should be addressed as follows: Lower Merion Township – Parks and Recreation 75 E Lancaster Ave Ardmore PA 19003

Please note registrations will be processed as received.

CANCELLATION, REGISTRATION AND REFUND POLICY

Please review the policies on-line prior to registering for a program.

PHOTO POLICY

On occasion, we may take photos or video of individuals enrolled in programs or using Township facilities. Please be aware that these images are for Township use and may be used in future promotional materials.

New program idea? Let us know! We are always looking for new programs to offer our residents. Email <u>recreation@lowermerion.org</u> or give us a call 610.645.6220.

HAPPYFEET SOCCER

Age<u>s 3 – 5</u>

HappyFeet classes are a fun approach to ensuring your child has an absolute blast while developing elite physical skills and self-concept. During this stage your child will flourish within our imagination-based curriculum. Not only will they begin to develop excellent gross motor skills they will also begin to develop a healthy recognition of their own self-concept! Here our class time jumps to 1 hour as

we allow time to introduce fun, non-competitive games along with our imagination-based learning approach. During your child's time with us at this stage they will begin to learn basic and advanced soccer moves with the ball. These moves are then incorporated into the stories and games that we play with your children to increase repetition without it ever feeling like practice!

TENNIS, ROYAL T

Ages 7 – 14

Royal T Tennis will present a challenging, intensive tennis, skill building and tennis fitness educational program. This program has a professional curriculum built to be on par with some of the most successful tennis academies in the world today. The modern tennis method (MTM) originated by Oscar Wegner who has taught many top players such as Rafa Nadal and Bjorn Borg. We use a sport science-based hand and eye exercise program that builds coordination,

confidence and skills that provide a springboard to foundational success on the tennis court. We are presenting a program that really teaches tennis and gives children a sense of accomplishment.

TENNIS – INDOOR, ROYAL T

Royal T Tennis will present a challenging, intensive tennis, skill building and tennis fitness educational program. This program has a professional curriculum built to be on par with some of the most successful tennis academies in the world today. The modern tennis method (MTM) originated by Oscar Wegner who has taught many top players such as Rafa Nadal and Bjorn Borg. We use a sport science-based hand and eye exercise program that builds coordination,

confidence and skills that provide a springboard to foundational success on the tennis court. We are presenting a program that really teaches tennis and gives children a sense of accomplishment. We believe that every student has unlimited potential, and we believe in nothing less than their best. For more information, contact Jonathan Newman – https://www.tuffkidztennisandsoccer.com or (610) 585-4420.

RHYTHMIC GYMNASTICS

Ages 5 years and older

Rhythmic Gymnastics is the perfect sport to teach body awareness and control - skills that will assist in the development of athletic potential for any sporting endeavor. This is a fascinating Olympic sport that has already gained great popularity in the United States. It is a marvelous blend of traditional gymnastics, dance and ballet with the use of such apparatus as the ribbon, rope, ball, hoop and clubs. It is a sport that develops grace and beauty for young girls and challenges them to exceed while improving their skills in ballet, dance and coordination. In addition to instructional and beginner classes, special hours are offered for our competitive Rhythmic Team. The instructor

at Bala Gym is Ms. Valeriya Neikova, an experienced Rhythmic coach from Bulgaria. Give your daughter the right start in life! Let her experience Rhythmic Gymnastics and watch her confidence and self-esteem grow. For more information, contact Valeriya Neikova at (610)580-4714 or e-mail <u>balagymnastics@gmail.com</u>.

5:00 – 6:00pm Ages 7 – 9

Ages 4 – 8

This fun and interactive program centered on coding and robotics presents students with the engineering design process using LEGO[®] Spike Essential Education Robotics Construction Sets. Children will work in pairs on guided projects focused on the sciences - physical, life and earth & space - defining problems and brainstorming solutions, as they build LEGO prototypes simulating nature. They will develop their problem-solving and teambuilding skills as they test and refine their models, gaining confidence and understanding along the way.

LEGO® Robotics & Coding with Scratch MIT – Science Connections 6:15 – 7:15pm Ages 9 – 12

This fun and interactive program explores many aspects of STEM using LEGO[®] Spike Essential Education Robotics Construction Sets. Focusing on earth, physical, and life science topics children will work in pairs to build prototypes, such as a wind turbine and an earthquake simulator machine. They will explore ideas on how to protect Earth's environment and ways people understand and use the world around them. They will then code their designs with Scratch MIT, a block-based code, to perform various tasks and functions. Children will gain confidence and understanding as they build and explore their construction projects.
