

Township of Lower Merion Parks & Recreation

RECREATION INFORMATION

WINTER 2025

Lower Merion Township offers a variety of programs, for both children and adults, year-round. Basketball, Pickleball and Tennis Clinics, Yoga Bone Boost Classes, R5 Sports, Soccer Shots, Shining Knights Chess Club, Abrakadoodle Art Classes, Bricks 4 Kidz, Built By Me and Play-Well TEKologies STEM Classes, Mad Science Workshops, VAC Enrichment, Medical Me and Kids Look Listen Learn Create Programs and much more!

Please visit our website www.lowermerionrec.com for a current schedule of programs and classes.

If you do not have on-line access, no need to worry. You can still mail or walk-in to register for programs and pool memberships.

REGISTRATION INFORMATION

You will be considered registered for a program only after the proper forms and fees are received. Payment is due at the time of registration. Checks should be made payable to “**Treasurer, Lower Merion Township**”. Registrations without accompanying fees will NOT be processed. Non-residents (including Narberth Borough) will have a higher registration fee.

Please note, Winter registration will open November 1 (November 15 for Non-Residents).

Nothing stops a program in its tracks faster than everyone waiting until the last minute to register. Many of our programs need a minimum number of participants to run so a program may be cancelled if there are not enough registrants. Minimum number must be reached at least one week prior to the start of the program.

ON-LINE REGISTRATION

The Parks and Recreation Department uses a software system for our Membership and Program Registration. This program enables participants to view programs offered and register on-line (convenience fees may apply). If you have on-line access, please visit www.lowermerionrec.com to create or log in to your account.

MAIL-IN/WALK-IN REGISTRATION

Registration forms can be mailed in or dropped off to our office, located in the Township Administration Building. Envelopes should be addressed as follows:

Lower Merion Township – Parks and Recreation
75 E Lancaster Ave
Ardmore PA 19003

Please note registrations will be processed as received.

CANCELLATION, REGISTRATION AND REFUND POLICY

Please review the policies on-line prior to registering for a program.

PHOTO POLICY

On occasion, we may take photos or video of individuals enrolled in programs or using Township facilities. Please be aware that these images are for Township use and may be used in future promotional materials.

New program idea? Let us know! We are always looking for new programs to offer our residents. Email recreation@lowermerion.org or give us a call 610.645.6220.

WINTER PROGRAMS

BASKETBALL – INDOOR, US SPORTS INSTITUTE

Ages 4 – 8

The US Sports Institute offers basketball programs for players ages 4-8 of all ability levels looking to learn and develop basketball skills, strategy, and technique. With classes ranging from beginner to advanced abilities, we are sure to have something to suit every child. USSI's basketball players will be sure to improve skills and learn the importance of teamwork in this fast-paced, exciting sport.

RHYTHMIC GYMNASTICS

Ages 5+

Rhythmic Gymnastics is the perfect sport to teach body awareness and control - skills that will assist in the development of athletic potential for any sporting endeavor. This is a fascinating Olympic sport that has already gained great popularity in the United States. It is a marvelous blend of traditional gymnastics, dance and ballet with the use of such apparatus as the ribbon, rope, ball, hoop and clubs. It is a sport that develops grace and beauty for young girls and challenges them to exceed while improving their skills in ballet, dance and coordination. In addition to instructional and beginner classes, special hours are offered for our competitive Rhythmic Team. The instructor

at Bala Gym is Ms. Valeriya Neikova, an experienced Rhythmic coach from Bulgaria. Give your daughter the right start in life! Let her experience Rhythmic Gymnastics and watch her confidence and self-esteem grow.

For more information, contact Valeriya Neikova at (610)580-4714 or e-mail balagymnastics@gmail.com.

Location: Bala Gym, 49 Bala Avenue, Bala Cynwyd

Lower Merion has a number of groups that offer various recreational opportunities for leagues and other activities. Visit our website to view and or print a list of Program Providers with their contact information. Each group conducts their own registration during different times of the year. Please contact them directly if you are interested in any additional information.

KIDS LOOK LISTEN CREATE

Ages 4 – 8

Classical Music
Stories, Games,
Crafts

Kids Look Listen Create teaches classical music and fine art appreciation programs with stories, games, movement, and crafts. Their mission is to expose young children to classical music and fine art through active engagement, stimulate imagination and encourage unlimited interpretations of works of art and classical music, promote childhood creativity and play by offering creative movement and open-ended crafts, and encourage ecological values by using natural and recyclable materials during the crafts. [For more information, visit www.kidslooklistencreate.com.](http://www.kidslooklistencreate.com)

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Avenue, Bryn Mawr

Day/Time: Fridays 5:00 – 6:00pm

Group Limit: 12 Participants

Classical Music January 10 – February 7 (5) Resident/\$75 Non-Resident/\$90

This program will explore a different classical music topic every week including fairytale characters, spooky characters, animals, instruments, and dances. Children will be familiarized with the musical pieces by Mozart, Wagner, Tchaikovsky, Brahms, and many other composers. Kids will be invited to play games and pretend to be different characters with music. Some classes will also feature stories. Each class will include an open-ended craft inspired by the class's topic and presented materials.

Fine Art February 21 – March 28 (6) Resident/\$90 Non-Resident/\$108

In this program, kids will be introduced to famous artists and their art through stories and games. Children will be familiarized with the art of Goya, Rousseau, Monet, Renoir, and Klee. We will discuss portraits, landscapes, and still life; notice colors and shapes; and ponder how these works of art make us feel. Each class will end with an open-ended craft inspired by works of art, stories, and presented materials.

BUILT BY ME

Ages 7 – 12

Built by Me offers STEM robotics and coding programs geared to children in grades 1 – 5. Our mission is to teach children to create via technology. Our programs are all interactive, collaborative, hands-on, project-based, and

focused on using technology to create and learn new skills while having fun! Within our tight age ranges we break our classes down even further, grades 1 – 3 and 3 – 5, so children can gain the appropriate skills at their level of maturity. [For more information, visit www.builtbyme.com.](http://www.builtbyme.com)

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Avenue, Bryn Mawr

Days: Mondays January 27 – March 10 (6) No Class Feb 17

Fee: Per Session Resident/\$188 Non-Resident/\$226

Group Limit: 10 Participants

LEGO® Robotics & Coding – Space Odyssey 5:00 – 6:00pm Ages 7 – 9

This engaging and hands-on program delves into the world of STEM using LEGO® Spike Essential Robotics Sets. Students will have a blast constructing space-themed structures, such as lunar rovers, and coding them to navigate obstacles. Each week, they will embark on a new space exploration project, allowing them to develop coding and problem-solving skills and collaborate as they work with their partner. Through building, programming and testing LEGO prototypes, students will gain confidence, understanding and an appreciation for the wonders of space. Join us for an inspiring journey!

LEGO® Robotics & Coding with Scratch MIT – Funky Innovations 6:15 – 7:15pm Ages 9 – 12

This fun and interactive STEM program will engage students in engineering, robotics, and coding using LEGO® Spike Essential Robotics Sets. Students will develop programming and design skills as they define problems, brainstorm solutions, and test prototypes, such as a trash monster and a high-tech playground. Students will gain confidence and an appreciation for engineering as they challenge their creativity. Join us for an inspiring journey!

At Play-Well we know kids are naturally gifted creators. They receive added inspiration when they dive into our massive collection of LEGO® with our trained instructors. They will explore the fundamental principles of engineering while building elaborate objects, structures, and vehicles. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long-lasting. Our classes are not affiliated with The LEGO® Group. **For more information, visit www.play-well.org**

STEM FUNdamentals with LEGO® Materials

Level up your engineering skills with Play-Well TEKologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are rotated seasonally to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Avenue, Bryn Mawr

Winter Session: January 23 – March 13 (8)

Day/Time: Thursdays 5:00 – 6:00pm

Fee: Resident/\$190 Non-Resident/\$228

Group Limit: 16 Participants

BRICKS 4 KIDZ

Bricks 4 Kidz is back with BRAND NEW and AWESOME LEGO® models for your Master Builder to create! In this After School LEGO® class, your child will learn science, technology, engineering, math and the arts with a different LEGO® model build theme each week. Your Master Builder will have a chance to create motorized LEGO® models. such as a fire truck, spin art, a fast car, and many more, all out of LEGO® bricks! Join us for this AWESOME Fall After School class and try them ALL! Anything is possible in a Bricks 4 Kidz class.

Master Builder

In this After School LEGO® class, your child will learn science, technology, engineering, math and the arts with a different LEGO® model build theme each week. DUNGEONS AND DRAGONS CLUB, GAME ON!

Role Playing Games (RPGs) like Dungeons & Dragons (D&D) are a great way for kids to gain and reinforce social cooperation, critical thinking, and arithmetic skills in a developmentally appropriate, fun environment of epic fantasy quests like those from the Hobbit and Lord of the Rings books and movies. In this weekly after school club, experienced Dungeon Masters will guide kids through character creation, followed by role playing in a sustained campaign. Play will concentrate on the basics, so no experience is necessary, but veteran players will also have a blast!

For more information, visit www.gameonphilly.org.

Location: Bryn Mawr Community Center, 9 S Bryn Mawr Avenue, Bryn Mawr

Day/Time: Mondays 4:30 – 6:30pm

Winter Session: January 13 – March 17 (10)

Fee: Resident/\$225 Non-Resident/\$270

Group Limit: 8 Participants

MAD SCIENCE WEEKEND WORKSHOP

Ages 6 – 12

Mission — “We aim to spark the imagination and curiosity of children everywhere by providing them with fun, entertaining and educational activities that instill a clear understanding of what science is really about and how it affects the world around them.”

Location: Bryn Mawr Community Center, 9 S Bryn Mawr Avenue, Bryn Mawr

Date/Time: Sunday 9:30am – 12:30pm

Fee: Per Session Resident/\$55 Non-Resident/\$66

Group Limit: 20 Participants

February 2 Lasers and Optics

Become immersed in the world of lasers, light, and color! Discover how laser light differs from white light as we bend & shine beams of light all around the room and dissect white light with our special specs! Witness a small indoor fireworks display to show how different metals react to heat, and learn about tricks our eyes play on us by experimenting with mirrors and optical illusions!

March 9 Mad Machines

Discover simple machines! Unravel the power of pulleys, build catapults and claw grabber devices! We'll compile all that we've learned & build our own Mad Science Drag Racers to race and take home!

MEDICAL ME

Ages 6 – 12

Medical Me is a fun and engaging STEAM educational enrichment program, bringing medicine, science, and the importance of health to children ages 3 to 17, through interactive classes, camps, and special events. Our Mission is to educate young children with practical lifelong knowledge about medicine, science, and the importance of health. Our goal is to give children a

better understanding and respect for the world of medicine, giving them confidence when communicating with their parents and doctors in a more in-depth manner. [For more information, visit www.medicalmemd.com](http://www.medicalmemd.com).

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Avenue, Bryn Mawr

Day/Time: Wednesdays 5:00 – 6:00pm

Fee: Resident/\$180 Non-Resident/\$216

Group Limit: 20 Participants

Fish Veterinarian – Marine Biology January 8 – February 12 (6)

Into the Sea! Let's explore the sea as we enhance critical thinking through role play! Learn what sea creatures eat and how their digestive system works. Dissect fish and discuss parts of the fish anatomy. Learn all about how to give medicine to animals as small as a porgy and as big as a shark. Hours of interactive instructions teach participants what fish need to survive in a fish tank and in the ocean. At the end of this class, each student receives a fish and fishbowl to take home.

House Pets Veterinarian Kids February 26 – April 2 (6)

Enjoy unparalleled opportunities, young animal enthusiasts are invited to dive into the exciting world of veterinary care for house pets. This unique experience blends fun, education, and hands-on activities to inspire the next generation of pet caregivers and Veterinarians. Learn the essentials of caring for common house pets such as birds, and small mammals like rabbits and guinea pigs, cats and dogs.

Geoventures is an outdoor programming company working with recreation departments and educational organizations to provide a variety of quality programs connecting children to nature. Our mission is to get more kids outside building knowledge and affection for nature through play. Each day will include games, hands-on activities and teamwork.

For more information, visit www.geoventuresinc.com.

Location: Bryn Mawr Community Center, 9 S Bryn Mawr Avenue, Bryn Mawr

Day/Time: Saturdays 9:00am – Noon

Fee: Per Session Resident/\$130 Non-Resident/\$156

Group Limit: 25 Participants

Spy Training January 11 – January 25 (3)

Our spies in training will become experts in the art of disguise, code-breaking, surveillance, stealth and leaving no trace. As a team, we will solve mysteries, write invisible messages, navigate challenging obstacle courses and try to discover the double-agent!

Nature Chemists March 1 – March 15 (3)

Learn about our world through safe and nature-friendly science experiments! Use plants to cause magical color changes! Make non-newtonian slimes, giant bubbles, rainbow volcanos and more. Get ready for some messy chemistry fun!

During VAC Enrichment programs, students not only learn, but also identify ways to give back to the community with their learnings under the guidance of experienced teachers. This is different from other programs in that

students immediately see the impact they're making, sparking an interest in entrepreneurship and community service. The curriculum is based around the principle that every session, students experience a personal growth moment by completing something entrepreneurial they can show off to others in their lives. This helps them fall in love with entrepreneurship and feel empowered. For more information, visit www.vineyardappcamp.com.

Cooking Around the World

Does your child have a passion for cooking? Are they ready to experience new foods and expand their little palettes? Our students will be engaged while discovering how to prepare delicious international and American dishes safely and skillfully. Our mini chefs will enjoy exploring diverse recipes from Africa, Asia, Europe, and North and South America, while learning food prep tips and tricks they can use throughout their life. During our sessions, your child will play kids' games from other countries, learn food terms from around the world, and receive simple recipes they can use at home. This course is tailored for younger students and focuses on microwave cooking. Recipes include Italian Lasagna, Ghanaian Fufu Dumplings, Japanese Rice Balls (Onigiri), Mexican Quesadilla and Salsa, American Mug Cake, Chinese Chaofan, and French Fondue.

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Avenue, Bryn Mawr

Day/Time: Fridays 5:00 – 6:00pm

Winter Session: January 24 – March 21 (8) No Class Feb 14

Fee: Resident/\$230 Non-Resident/\$276

Group Limit: 20 Participants

SCHOOL'S OUT PROGRAMS

ABRAKADOODLE, SCHOOL'S OUT

Ages 5 – 12

The best thing to do when 'School's Out' is to join Abrakadoodle for a Day of Art! Our Art Camps include art lessons, games, crafts, music, and special activities for children ages 5-12. Abrakadoodle art program offers a multi-

media art program that is both educational and fun. Our curriculum is focused on the elements of art, art techniques, styles, art history and the sequential development of skills. Students create artwork inspired by famous artists, art styles and world cultures while they celebrate their creativity and uniqueness. Our lessons use a variety of safe non-toxic art materials that bring an engaging multi-arts experience to students. Each child will go home with 4 large major projects and several mini projects/activities. **Group Limit:** 16 Participants

Location: Bryn Mawr Spring House, 9 S. Bryn Mawr Avenue, Bryn Mawr

Time: 9:00am – 4:00pm

Fee: Per Session Resident/\$120 Non-Resident/\$144 *Material Fees Included in Pricing

Monday, January 20 Super Doodle Art Camp (Super Size, SuperHeroes, and Super FUN)

You're a kid! You're an artist! You're a SuperDoodler! Create super-sized drawings and masks! Imagine superheroes and your own superpowers! Make a paint super-mess and produce spectacular sculptures and paintings! Blast off with super space art and more! SuperDoodlers create nonstop super FUN in this super-duper camp!

Friday, February 14 Draw Rah Rah Art Camp

Learn to be a creative sketch artist in Abrakadoodle's innovative program that incorporates drawing into the creative process. Through Abrakadoodle's unique Drawsters program, children develop drawing skills that can be applied to all sorts of projects and imaginative adventures. They learn about line drawing, patterning, perspective, creating unusual environments and other drawing techniques. Drawsters will explore the colorful art form of popular artist Romero Britto. They'll create illustrations inspired by Susan Stockdale's underwater environments by designing magical creatures and gardens in her style. Each lesson provides skill development and imaginative applications. Confidence in drawing abilities grows in this camp that also includes games and activities designed to boost creativity and imagination.

Monday, February 17 Cartoon Creation Art Camp

Abrakadoodle takes cartooning to a whole new level by incorporating cartooning into the creative process. Campers learn the art of cartooning, including imagining and sketching characters, preparing animation cels and discovering the creative process for comic strips and animation. With games, music and activities sure to please, this cartoon camp is sure to leave campers grinning ear-to-ear!

HARRITON HOUSE, SCHOOL'S OUT

Come to the Harriton House for a day of history! Our engaging programs include hands-on activities centered on the 300+ years of history at Harriton House. Best suited to children ages 8 – 14, the programs bring history to life in a meaningful way. The Harriton Association operates the historic house for the Township of Lower Merion, offering programs, public and school tours, preserving and restoring Harriton House, and other amenities within the park.

Location: Harriton House, 500 Harriton Rd, Bryn Mawr

Day/Date/Time: Friday, February 14 10:00am – 3:00pm

Fee: Per Session Resident/\$60 Non-Resident/\$72

Harriton Hand-Crafted Valentine's Day Editon Ages 8 – 12 Group Limit: 10 Participants

Learn about the history of Valentine's Day greetings in the late 18th early 19th century while making personalized versions to take home. We will use scissors, glue, watercolor paints, stamps and ink to craft our creations. Please bring lunch, Harriton Association will provide snacks.

Mission — “We aim to spark the imagination and curiosity of children everywhere by providing them with fun, entertaining and educational activities that instill a clear understanding of what science is really about and how it affects the world around them.” **FULL DAY and HALF DAY OPTIONS!**

Location: Bryn Mawr Community Center, 9 S Bryn Mawr Avenue, Bryn Mawr
Full Day: 9:00am – 3:30pm **Fee:** Resident/\$102 Non-Resident/\$122
AM Only: 9:00am – Noon **Fee:** Resident/\$55 Non-Resident/\$66
Group Limit: 20 Participants

Monday, January 20

Creative Chemist – Building with Bonds (Full Day)

Become a creative chemist through the investigation of the periodic table and the atoms that make up everything around us! Make chemical connections between different atomic models using bonds to construct molecules. Whether it is long stretchy chains of molecules in the form of silly putty or structured atoms in the form of crystal gardens, find out how chemistry connects the world.

Slimy Science & Smokey Ice (AM Only & Full Day)

Build model molecules, copper-plate a nickel, and make your very own ooey gooey Mad Science slime and putty to take home! Witness fantastic dry ice demonstrations with smoking & bubbling flasks!

Friday, February 14

Rocketry (Full Day)

Here is your chance to be a rocket scientist! Investigate the four forces of flight as you race through space learning the basics of rocket travel. Build your own Mad Science rocket to take home. If we have fair skies, we'll even see the principles of propulsion at work with a real rocket launch!

Roving Rovers (NASA: STEM Explorers) (AM Only & Full Day)

Developed in partnership with NASA, we will think and act like NASA innovators during this hands-on program inspired by NASA OPSPARC. After receiving your mission notebook, you will design and build a Mars Rover. Your rover will be tested over various obstacles to ensure it can navigate Mars' brutal terrain. From mission patches to engineering for space NASA Roving Rovers is out of this world!

Monday, February 17

LEGO® BRIXology – Carnivals (Full Day)

Explore the science and engineering that lets humans design and build exciting rides at carnivals and amusement parks. Through the engineering design process become mechanical engineers solving problems with creative solutions. Construct a miniature swinging Viking ship ride to take home.

LEGO® BRIXology – Creatures (AM Only & Full Day)

Explore the science and engineering that lets humans invent new things based on solutions found in nature! Through the engineering design process become bioengineers solving problems with biomimicry. Put together a wind-up peacock puzzle that can move to take home!

R5 Sports is a youth sports training company that runs active sports programs and camps. R5 Sports specializes in youth soccer programs and has an extensive summer camp program. This 3-hour soccer program will work on ball skill techniques, tactical understanding (1v1's), passing and shooting. We will start with a dynamic warm up and finish with small-sided games. bring indoor soccer shoes, a water bottle and shin guards.
