# Township of Lower Merion Parks & Recreation RECREATION INFORMATION SUMMER 2025

Lower Merion Township offers a variety of programs, for both children and adults, year-round. Basketball, Pickleball and Tennis Clinics, Yoga, Ultimate Frisbee Clinics, Steel, R5 and Beestera Soccer, Soccer Shots and HappyFeet Programs, Shining Knights Chess Club, Abrakadoodle Art Classes, Bricks 4 Kidz, Built By Me and Play Well Technologies Classes, Mad Science Workshops, US Sports Institute Classes and much, more.

Please visit our website <u>www.lowermerionrec.com</u> for a current schedule of programs and classes.

If you do not have on-line access, no need to worry. You can still mail or walk-in to register for programs and pool memberships.

# **REGISTRATION INFORMATION**

You will be considered registered for a program only after the proper forms and fees are received. Payment is due at the time of registration. Checks should be made payable to "**Treasurer, Lower Merion Township**". Registrations without accompanying fees will NOT be processed. Nonresidents (including Narberth Borough) will have a higher registration fee.

Please note, Summer registration will open February 3 (February 17 for Non-Residents).

Nothing stops a program in its tracks faster than everyone waiting until the last minute to register. Many of our programs need a minimum number of participants to run so a program may be cancelled if there are not enough registrants. Minimum number must be reached at least one week prior to the start of the program.

# **ON-LINE REGISTRATION**

The Parks and Recreation Department uses a software system for our Membership and Program Registration. This program enables participants to view programs offered and register on-line (convenience fees may apply). If you have on-line access, please visit <u>www.lowermerionrec.com</u> to create or log in to your account.

# MAIL-IN/WALK-IN REGISTRATION

Registration forms can be mailed in or dropped off to our office, located in the Township Administration Building. Envelopes should be addressed as follows: Lower Merion Township – Parks and Recreation 75 E Lancaster Ave Ardmore PA 19003

Please note registrations will be processed as received.

# CANCELLATION, REGISTRATION AND REFUND POLICY

Please review the policies on-line prior to registering for a program.

# **PHOTO POLICY**

On occasion, we may take photos or video of individuals enrolled in programs or using Township facilities. Please be aware that these images are for Township use and may be used in future promotional materials.

New program idea? Let us know! We are always looking for new programs to offer our residents. Email <u>recreation@lowermerion.org</u> or give us a call 610.645.6220.

# **SUMMER CAMPS**

#### PLAYGROUND ACTIVITIES CAMP

Registration is limited to 75 Participants - Register early!

Participants will be involved in a range of activities including arts and crafts, games, group activities and special events. On occasion, optional day trips will be a part of the programming for which additional fees will be charged. In case of inclement weather, the program will be cancelled.

# YOUTH FIREFIGHTER CAMP

Youth Firefighter Camp will provide participants the opportunity to learn about fire safety, fire prevention, and the roles and responsibilities of firefighters with the Lower Merion Fire Department. Learning alongside Firefighters will help kids build a sense of teamwork and responsibility. The curriculum is designed to be fun, challenging, entertaining and educational. Lessons and activities will focus on the daily life of a firefighter, while helping participants identify fire and life safety concerns throughout their homes and schools. Each day will consist

of short periods of lectures and lessons, followed by opportunities to actively participate in exercises designed to reinforce what they have learned. Youth Firefighter Camp will cover many interesting topics such as Fire Extinguisher Training, HazMat, Search and Rescue, and much more! **Group Limit:** 24 Participants

Critter Rescuers Camp

Ages 6 – 9

Ages 5 – 11

Do you love learning about animals and how to help them thrive? Armed with wits and magnifying glasses, Critter Rescuers will work to answer some of the world's biggest (and smallest) questions. Rescuers will focus on saving animal habitats with hands-on activities, stories, games, and solving mysteries together.

# August 18 – 22STEM Survival ChallengeAges 8 – 12

Tackle exciting survival games and challenges using the Engineering Design Process. This camp introduces the world of wilderness survival using scientific thinking and invention. Campers are challenged to build natural shelters, navigate using GPS, and practice the science-based secrets of tracking and stealth. Skills are woven into each day camp's storytelling, discussions, and team challenges.

August 25 - 29Wild About ArtAges 6 - 10The best art is made where the wild things are! Beginners to passionate young artists are welcome to grow wild<br/>about art with us! This camp brings together an exploration of nature with a chance to be a creator. We'll learn<br/>about using natural materials to make paintings, sculptures, pressed art and more.

# VAC ENRICHMENT CAMP

# vac enrichment

During VAC Enrichment programs, students not only learn, but also identify ways to give back to the community with their learnings under the guidance of experienced teachers. This is different from other programs in that

students immediately see the impact they're making, sparking an interest in entrepreneurship and community service. The curriculum is based around the principle that every session, students experience a personal growth moment by completing something entrepreneurial they can show off to others in their lives. #### DUNGEONS AND DRAGONS CAMP, GAME ON!

Ages 10 – 14

Role Playing Games (RPGs) like Dungeons & Dragons (D&D) are a great way for kids to gain and reinforce social cooperation, critical thinking, and arithmetic skills in a developmentally appropriate, fun environment of epic fantasy quests like those from the Hobbit and Lord of the Rings books and movies. This summer, experienced Dungeon Masters will guide kids through character creation, followed by several sessions of role playing in an adventure. Play

will concentrate on the basics, so no experience is necessary, but veteran players will also have a blast! All materials will be provided, including dice, character sheets, reference books, and miniature figurines. At the end of the camp, the kids are welcome to keep their dice and figurines. **Group Limit**: 7 Participants

#### Fish Veterinarian Summer Camp

Into the Sea! Let's explore the sea as we enhance critical thinking through role play! Learn what sea creatures eat and how their digestive system works. Dissect fish and discuss parts of the fish anatomy. Learn all about how to give medicine to animals as small as a porgy and as big as a shark. Hours of interactive instructions teach participants what fish need to survive in a fish tank and in the ocean. At the end of this class, each student receives a fish and fishbowl to take home.

### PLAY-WELL TEKNOLOGIES CAMP

At Play-Well we know kids are naturally gifted creators. They receive added inspiration when they dive into our massive collection of LEGO<sup>®</sup> with our trained instructors. They will explore the fundamental principles of engineering while building elaborate objects, structures and vehicles. They also earn to collaborate and create without fear of mistakes. The experience is joyful, the impact long-lasting. Our classes are not affiliated with The LEGO<sup>®</sup> Group.

#### PM Session LEGO<sup>®</sup> Robotics & Coding w/ Scratch MIT – Quirky Adventures Camp Ages 9 – 11

This dynamic camp immerses children in coding, robotics, and engineering with LEGO® Spike Essential Education Robotics Construction Sets. Working in pairs, campers will build imaginative models like a trash monster and high-tech playground, integrating sensors and motors. They will then code their models using Scratch MIT, a block-based code. The hands-on experience emphasizes engineering design skills— defining problems, brainstorming solutions, and testing prototypes. The camp's fusion of creativity, technology, and collaboration makes STEM concepts accessible and fun.
