

Township of Lower Merion Parks & Recreation

RECREATION INFORMATION

SUMMER 2026

Lower Merion Township offers a variety of programs, for both children and adults, year-round. Basketball, Pickleball, Soccer, Ultimate Frisbee and Tennis Clinics, Yoga, Chess Club, Art Classes, STEM Classes, Science Workshops, Multi Sports Classes and much, much more.

Please visit our website www.lowermerionrec.com for a current schedule of programs and classes.

If you do not have on-line access, no need to worry. You can still mail or walk-in to register for programs and pool memberships.

REGISTRATION INFORMATION

You will be considered registered for a program only after the proper forms and fees are received. Payment is due at the time of registration. Checks should be made payable to “**Treasurer, Lower Merion Township**”. Registrations without accompanying fees will NOT be processed. Non-residents (including Narberth Borough) will have a higher registration fee.

Please note, Summer registration will open February 2 (February 16 for Non-Residents).

Nothing stops a program in its tracks faster than everyone waiting until the last minute to register. Many of our programs need a minimum number of participants to run so a program may be cancelled if there are not enough registrants. Minimum number must be reached at least one week prior to the start of the program.

ON-LINE REGISTRATION

The Parks and Recreation Department uses a software system for our Membership and Program Registration. This program enables participants to view programs offered and register on-line (convenience fees may apply). If you have on-line access, please visit www.lowermerionrec.com to create or log in to your account.

MAIL-IN/WALK-IN REGISTRATION

Registration forms can be mailed in or dropped off to our office, located in the Township Administration Building. Envelopes should be addressed as follows:
Lower Merion Township – Parks and Recreation
75 E Lancaster Ave
Ardmore PA 19003
Please note registrations will be processed as received.

CANCELLATION, REGISTRATION AND REFUND POLICY

Please review the policies on-line prior to registering for a program.

PHOTO POLICY

On occasion, we may take photos or video of individuals enrolled in programs or using Township facilities. Please be aware that these images are for Township use and may be used in future promotional materials.

New program idea? Let us know! We are always looking for new programs to offer our residents. Email recreation@lowermerion.org or give us a call 610.645.6220.

SUMMER CAMPS

PLAYGROUND ACTIVITIES CAMP

Registration is limited to 75 Participants - Register early!

Participants will be involved in a range of activities including arts and crafts, games, group activities and special events. On occasion, optional day trips will be a part of the programming for which additional fees will be charged. **In case of inclement weather, the program will be cancelled.**

Ages: 6 and over (must have completed kindergarten prior to the start of the program)

Dates: June 22 – July 31 (6 Weeks) No Program 7/3 and ½ Day Program 7/31

Days/Time: Monday – Friday 9:00am – 3:00pm

Locations: General Wayne Park | McMoran Park | South Ardmore Park | Wynnewood Valley Park

Six Week Fee: Resident/\$500 Non-Resident/\$600

SPECIAL RECREATION AFTERNOON CAMP

For Children with Special Needs

Participants will spend the afternoon with Lower Merion Township staff, swimming at our Belmont Hills public pool (weather permitting). Transportation WILL NOT be provided at the end of camp. Parent pick up ONLY.

In case of inclement weather, the program will be cancelled. There will be no refund or makeup for this program and any extreme cases of inclement weather (i.e. an entire week lost due to inclement weather) will be handled on an occurrence basis and a credit issued toward a future program.

Location: Belmont Hills Pool, 122 Mary Watersford Rd, Bala Cynwyd

Dates: June 30 – August 6

Days/Time: Monday – Thursday, 1:30 – 4:30pm*

Ages: 7 – 18

Fee: Resident/\$850 Non-Resident/\$1,020

Group Limit: 6 Participants

*For those families participating in Lower Merion ESY, after school transportation may be available. Please contact Lower Merion School District for more information.

YOUTH FIREFIGHTER CAMP

Ages 8 – 13

Youth Firefighter Camp will provide participants the opportunity to learn about fire safety, fire prevention, and the roles and responsibilities of firefighters with the Lower Merion Fire Department. Learning alongside Firefighters will help kids build a sense of teamwork and responsibility. The curriculum is designed to be fun, challenging, entertaining and educational. Lessons and activities will focus on the daily life of a firefighter, while helping participants identify fire and life safety concerns throughout their homes and schools. Each day will consist of short periods of lectures and lessons, followed by opportunities to actively participate in exercises designed to reinforce what they have learned. Youth Firefighter Camp will cover many interesting topics such as Fire Extinguisher Training, HazMat, Search and Rescue, and much more!

Group Limit: 24 Participants

Location: McMoran Park

Days/Times: August 17 – 21 9:00am – Noon

Fee: Resident/\$150 Non-Resident/\$180

Lower Merion has a number of groups that offer various recreational opportunities for leagues and other activities. Visit our website to view and or print a list of Program Providers with their contact information. Each group conducts their own registration during different times of the year. Please contact them directly if you are interested in any additional information.

BASKETBALL CAMP, US SPORTS INSTITUTE

Ages 5 – 12

Our basketball camp gives players the opportunity to experience basketball instruction that will both challenge them and ensure they have a fantastic experience at camp. Every camp is coached by our professional staff that is trained to encourage maximum participation, good sportsmanship, and above all - FUN! Recreational level players will learn the fundamentals of basketball, developing their passing, dribbling and shooting techniques. Travel players will be exposed to more advanced drills, helping to not only develop the fundamentals of the game but also the tactical side of the game.

[For more information, visit www.ussportsinstitute.com.](http://www.ussportsinstitute.com)

Group Limit: 36 Participants

Location: South Ardmore Park In the event of inclement weather, camp will be held at Bala Gymnasium, as scheduling allows

Session 1: August 3 – 7

Session 2: August 24 – 28

Time: 9:00am – Noon

Fee: Per Session Resident/\$237 Non-Resident/\$284

BASEBALL CAMP, TOP GUNN

Ages 7 – 12

Top Gunn's philosophy is to provide an A-Z fundamental instruction on all aspects of hitting, pitching, and defense through competition-style games themed around Coach Gunn's favorite movie, "Top Gun." Top Gunn Baseball Camp will introduce and demonstrate various drills and games that are tailored to specific baseball skills and promote a positive team approach. Top Gunn will provide the "how and why" of drills and incorporate this instruction into simulated games. The number one priority is to have fun and learn to love the game of baseball. Regardless of the level of the player, this curriculum will help all players progress and gain an appreciation for America's pastime.

[For more information, visit www.topgunbaseball.com.](http://www.topgunbaseball.com)

Time: 9:00am – 1:00pm*

*Opportunity for extended care. Join EXTRA INNINGS for an additional hour of camp each day!

TENNIS CAMP, ROYAL T

Ages 7 – 16

Our tennis program has a great method currently used at some of the best tennis academies in the world. We have developed world class and national level players, as well as helped many area tennis players of all ages to play better tennis and enjoy the game. Our goal, as a tennis program, is to help all that come to us to have more fun playing tennis.

For more information, visit www.tuffkidztennisandsoccer.com.

SOCCER CAMP, R5 SPORTS

Ages 5 – 14

R5 Camps are designed to improve athletes and players. We are passionate about the game and this transcends to the players. Camps are structured so that each player has a path to success in the game. The program will help players with their on-field technical skills while also ensuring they understand how to incorporate those skills when playing in a game.

For more information, visit www.R5Sports.net.

AM Only Ages 5 – 14 9:00am – Noon Resident/\$225 Non-Resident/\$270

SOCCER CAMP, ROYAL T

Ages 7 – 16

Royal T Soccer programs focus on development of individual and ball skills rather than tactics of the game. The best academies in the world first teach skill foundation at a very technical level, this frees the players to focus on the tactics later. Tactics as simple ball skills are anything but. The level of tactical ability is dependent upon the skills attained with the ball. Royal T utilizes the Ajax system, a proven world class system of teaching the skills of the game.

For more information, visit www.tuffkidztennisandsoccer.com.

SOCCER CAMP, AMAZING ATHLETES

Ages 6 – 10

Educational Sports Programs

Get ready for an action-packed week of soccer excitement! Join Soccer Stars-World Cup Soccer Camp! Each day the kids will learn about a new country in the FIFA World Cup. Campers will learn a bit about culture, fun facts, language and famous international players each day! The kids will continue to develop fundamentals such as dribbling, passing, shooting, and teamwork through engaging games and creative soccer activities. Players will also “represent” different countries as they participate in mini-matches, obstacle courses, and World Cup-themed competitions that promote sportsmanship and team spirit. This cultural connection adds an exciting educational element and helps kids appreciate the global spirit of the game! Whether your child is new to the sport or already loves playing, this camp provides a positive, inclusive, and exciting soccer experience for all skill levels. Join us for a summer filled with fun, fitness, and World Cup magic! [For more information, visit www.amazingathletes.com.](http://www.amazingathletes.com)

RHYTHMIC GYMNASTICS CAMP

Ages 5+

Rhythmic Gymnastics is the perfect sport to teach body awareness and control - skills that will assist in the development of athletic potential for any sporting endeavor. It is a marvelous blend of traditional gymnastics, dance, and ballet with the use of such apparatus as the ribbon, rope, ball, hoop, and clubs. It is a sport that develops grace and beauty for young girls and challenges them to exceed while improving their skills in ballet, dance, and coordination. Give your daughter the right start in life! Let her experience Rhythmic Gymnastics and watch her confidence and self-esteem grow by leaps and bounds.

Please contact Valeriya Neikova at (610)580-4714 or e-mail balagymnastics@gmail.com.

Location: Bala Gym, Bala and Union Avenues
Session 1: July 6 – 10
Session 2: July 13 – 17
Session 3: July 20 – 24
Session 4: August 17 – 21
Session 5: August 24 – 28

GEOVENTURES CAMP

Geoventures is an outdoor programming company working with recreation departments and educational organizations to provide a variety of quality programs connecting children to nature. Our mission is to get more kids

outside building knowledge and affection for nature through play.

Location: Wynnewood Valley Park

Time: 9:00 – 3:00pm

Fee: Per Session Resident/\$320 Non-Resident/\$384

Group Limit: 25 Participants

August 3 – 7

Forts and Shelters Camp

Ages 7 – 12

Nothing beats a day building forts with friends! Together we ask “What makes a great shelter?” Learn about how to improve your designs for sturdiness, waterproofing, ventilation, insulation and material gathering, while creating awesome structures using imagination and teamwork.

August 10 – 14

Nature Chemists Camp

Ages 6 – 10

Learn about our world through outdoor explorations, and safe, nature-friendly science experiments! Using plants to cause magic color changes, playing with non-newtonian slimes, blowing giant bubbles, creating rainbow volcanoes and more!

August 17 – 21

Wild Skills Camp

Ages 8 – 12

Explore deeper outdoor skills like animal tracking, camouflage, lost-proofing, useful plants and more. Survive, thrive, and play in the wild world!

August 24 – 28

Nature Adventures Camp

Ages 6 – 9

Be explorers of the plant and animal world all around us. Together we'll encounter creatures, identify prints and tracks, explore ecosystems, play stealthy games and hunt for natural treasures. Join us for a great adventure every day!

VAC ENRICHMENT CAMP

Ages 6 – 11

During VAC Enrichment programs, students not only learn, but also identify ways to give back to the community with their learnings under the guidance of experienced teachers. This is different from other programs in that

students immediately see the impact they're making, sparking an interest in entrepreneurship and community service. The curriculum is based around the principle that every session, students experience a personal growth moment by completing something entrepreneurial they can show off to others in their lives.

For more information, visit www.vineyardappcamp.com.

Group Limit: 12 Participants

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Ave, Bryn Mawr

Time: 1:00 – 4:00pm

Fee: Per Session Resident/\$297 Non-Resident/\$357

July 27 – 31

Pokémon: Build and Battle

Ages 8 – 11

Welcome to Pokémon: Build & Battle, where the world of Pokémon meets math, literacy, and strategic thinking! This program invites young trainers to explore the art of building powerful Pokémon trading card decks, while developing essential skills in problem-solving, mathematics, literacy, and strategic decision-making. Students will have the chance to battle each other within a fun, competitive, and supportive learning environment. Each day will focus on building different aspects of the game—deck construction, understanding card abilities, math for calculating damage, reading comprehension for card details, and strategy for winning battles. By the end of the program, students will participate in a culminating tournament where they can showcase their skills!

August 31 – September 4

All Aboard the Hogwarts Express

Ages 6 – 11

All Aboard the Hogwarts Express! This course designed for young enchanter enthusiasts to dive into the fascinating world of Harry Potter! In this engaging program, students will craft magical wands, brew ""potions"" using safe ingredients, and participate in house-themed challenges that bring favorite wizard stories to life. Young wizards-in-training will explore their creativity by designing magical creatures, creating enchanted maps, and discovering the imaginative elements that make these beloved stories so captivating. You'll get to participate in wizard-themed games, learn about the literary elements behind magical storytelling, and develop friendship bonds through collaborative magical challenges! This course will empower scholars with a deeper appreciation for fantasy literature while encouraging teamwork, creative thinking, and the magic that happens when imagination is given room to flourish.

DUNGEONS AND DRAGONS CAMP, GAME ON!

Ages 10 – 14

Role Playing Games (RPGs) like Dungeons & Dragons (D&D) are a great way for kids to gain and reinforce social cooperation, critical thinking, and arithmetic skills in a developmentally appropriate, fun environment of epic fantasy quests like those from the Hobbit and Lord of the Rings books and movies. This summer, experienced Dungeon Masters will guide kids through character creation, followed by several sessions of role playing in an adventure. Play will concentrate on the basics, so no experience is necessary, but veteran players will also have a blast! All materials will be provided, including dice, character sheets, reference books, and miniature figurines. At the end of the camp, the kids are welcome to keep their dice and figurines.

Group Limit: 7 Participants

MEDICAL ME CAMP

Ages 5 – 12

Medical Me is a fun and engaging STEAM educational enrichment program, bringing medicine, science, and the importance of health to children ages 3 to 17, through interactive classes, camps, and special events. Our Mission is to educate young children with practical lifelong knowledge about medicine, science, and the importance of health. Our goal is to give children a better understanding and respect for the world of medicine, giving them confidence when communicating with their parents and doctors in a more in-depth manner. For more information, visit www.medicalmemd.com.

July 20 – 24

Veterinarian School

Hey Campers! We're excited to share that this year's program is bigger and better than ever! Get ready for an even more fun and adventurous exploration into the world of veterinarians. After adopting their own stuffed pet, campers will explore how veterinarians diagnose, treat, and care for animals of all shapes and sizes, from household pets to wildlife. Explore the treatment of common injuries and illnesses house pets experience. Learn how pet birds' and wild birds' needs differ and the importance of preventative care for all pets. Discover unique feeding and needs across different types of pets along with household items that are dangerous to animals. At the end of the week, take home your new pet and knowledge to care for all Pets.

August 3 – 7

First Responders

Explore the heroic world of first responders in this engaging and educational Summer Camp. Participate in fun, hands-on activities to develop essential skills in handling medical emergencies, administering first aid, rescue operations, and more. This program aims to inspire the next generation of helpers, teaching you how to respond confidently and safely in emergency situations involving friends, family, or the community. Through interactive lessons and simulations, learn the importance of teamwork, quick thinking, and caring for others in times of need.

August 31 – September 4

Reptile Rangers

Embark on a ssssuper reptilian adventure at our Reptile Rangers herpetology program! Designed for kids who have a fascination with snakes, lizards, turtles, frogs, and all things herpetological. We believe in learning by doing, offering numerous hands-on activities to engage and educate students about these incredible creatures in a safe and supportive environment. Reptile and amphibian encounters are available for groups under the careful supervision of experts.

Mission — “We aim to spark the imagination and curiosity of children everywhere by providing them with fun, entertaining and educational activities that instill a clear understanding of what science is really about and how it affects the world around them.”

Group Limit: 17 Participants

For more information, visit wnj.madscience.org.

Full Day: 9:00am – 3:30pm *Lunch from Noon – 12:30pm – Please send with a packed lunch

AM Only: 9:00am – Noon

Location: Bryn Mawr Community Center, 9 S Bryn Mawr Ave, Bryn Mawr

June 29 – July 2 No Camp 7/3

Full Day	STEM Explorers/Amazing Architecture	Resident/\$375	Non-Resident/\$450
AM Only	Amazing Architecture	Resident/\$188	Non-Resident/\$226

NASA: STEM Explorers

Developed in partnership with NASA, our campers will think and act like NASA innovators during this hands-on program inspired by the NASA OPTIMUS PRIME Research Challenge (NASA OPSPARC). Use creative and collaborative skills to design a mission patch, train like an astronaut, build a Mars rover and solve real-world engineering problems. How might you use space suit cooling tubes be used to solve a problem here on Earth?

BRIXology – Amazing Architecture

Working with Lego Master builders we set our sights on designing structures that work. Towers need elevators and rocket capsules need parachutes. In this session we explore all things structural. From bridges to carnival rides and towers to mars landers. We build it, test it and then expand our creations. This session is fun for all who like to tinker. Children will receive a take home activity each day. Let the building begin!

July 13 – 17

Full Day	Funky Forensics/Jr Naturalists	Resident/\$400	Non-Resident/\$480
AM Only	Jr Naturalists	Resident/\$213	Non-Resident/\$256

Secret Agent Lab: Funky Forensics

Step into the shoes of a detective— uncover the science involved in evidence gathering and analysis. Using your observational skills, collect evidence and analyze the clues left behind. Recreate the scene of a crime using schematics. Use science to connect the dots and help sniff out the suspects in this hands-on investigation into the science of sleuthing!

Jr Naturalists

Learn how birds and beasts catch their prey! Flow through the food chain and discover how animals and insects adapt to life on our planet. Explore how a change in the wind, water, and temperature affects all of Earth’s inhabitants. Build wooden birdhouses, dissect owl pellets and learn how animals navigate the world using scent trails. Campers will also build a bug house to observe critters and identify animals by making plaster animal tracks.

August 10 – 14

Full Day	Journey to Outer Space/Mad Machines	Resident/\$400	Non-Resident/\$480
AM Only	Mad Machines	Resident/\$213	Non-Resident/\$256

NASA: Journey to Outer Space

Take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena. Create a comet and build your own Mad Science rocket and participate in a real NASA style rocket launch! Campers will take home additional NASA activities to complete at home! Mad Science is the ONLY organization licensed by NASA to use these activities for Summer Camps!

Mad Machines & Jr Engineers

Whether you enjoy building or destroying structures, you’ll love this camp! Work with simple machines such as pulleys, wedges, screws, and levers, to build your own catapults! Experiment with tessellation with triangles and cubes. Exercise your ability to work with others while constructing a geodesic dome big enough for everyone to fit inside! Let the building begin!

August 24 – 28

Full Day	Super Slimy Smokey/Underground Explorers	Resident/\$400	Non-Resident/\$480
AM Only	Underground Explorers	Resident/\$213	Non-Resident/\$256

Super Slimy Smokey Science

Dive into a variety of scientific fields as you help solve a mystery, stretch silly putty and slime, copper-plate nickels, tinker with circuits, and investigate optical illusions. Become captivated by lasers, dry ice, and hair-raising experiments! You will love what happens when you mix science and fun!

Underground Explorers

From Dinosaurs to Ancient Civilizations! Learn about archeology and the techniques scientists use to excavate long lost cities. Discover ancient civilizations and the tools and artifacts they used in everyday life. Study bone fragments, pottery shards, amber deposits, and fossils to understand what they can tell us about history. Make incredible projects to take home, like an amber time capsule and antique coins from around the world!

BRICKS 4 KIDZ CAMP

Ages 5 – 11

Bricks 4 Kidz, a leader in STEM (science, technology, engineering, and math) educational activities specializes in introducing children to advanced concepts in physics and engineering through hands-on play with LEGO® bricks and technologies in after school enrichment

programs, field trips and summer camps. [For more information, visit www.bricks4kidz.us.](http://www.bricks4kidz.us)

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Ave, Bryn Mawr

Time: 9:00am – Noon

Fee: Per Session Resident/\$220 Non-Resident/\$264

Group Limit: 14 Participants

June 22 – 26 **Amusement Park Mania**

Maybe you've been to Disney World, Universal Studios, Six Flags, or even LEGO Land... but have you ever built your own amusement park with LEGO bricks? That's exactly what we'll be doing all week, and not just regular LEGO bricks... we're using axles, gears, motors, and more to make our rides really move and groove! Join us for a week of amusement park building fun... the Bricks 4 Kidz way!

July 6 – 10 **Building is Awesome**

Do you think building is awesome? How about building with Emmet and Lucy? Then you won't want to miss the Bricks 4 Kidz Building Is Awesome Camp! Join Emmet, Lucy, Unicorn Kitty and Benny on a journey to stop Bad Cop and Lord Business from super-gluing the world. Campers will put their engineering skills to work as they build motorized models, 3D figure models and mosaics.

July 27 – 31 **Game On! Mario & Friends Edition**

We know you love Mario, Sonic, MineCraft and more, and so do we! But now it's time to unplug the console and pull out the LEGO Bricks! Get your game on as brick our way through levels of building, power up with some motor-powered LEGO models, and try to earn a few "extra lives" building mini-figures and 3D Sculptures. Each day is a new adventure as the virtual and LEGO® worlds collide the Bricks 4 Kidz way! Movie and its sequel. Whether you take an imaginary ride on Metal Beard's ship or Emmet's double-decker couch, be sure to get on over to Bricks 4 Kidz where building is awesome!

August 31 – Sept 4 **Brick a Palooza**

Bricks 4 Kidz THEME MASHUP is a fun camp with BRAND NEW and AWESOME LEGO® models for your Master Builder to create! Your Master Builder will have a chance to create motorized LEGO® models, 3D LEGO® color brick builds and our LEGO® Mosaics based on themes like MINECRAFT, Pokemon, Superheroes, and much more! Have fun building models such as a 11otorcycle a 3-D LEGO® T-Rex, a hot air balloon, all out of LEGO® bricks! Can't decide which you like more!?! Join us for this AWESOME camp and try them ALL! Anything is possible in a Bricks 4 Kidz class. DON'T MISS THE FUN!

PLAY-WELL TEKNOLOGIES CAMP

Ages 5 – 12

At Play-Well we know kids are naturally gifted creators. They receive added inspiration when they dive into our massive collection of LEGO® with our trained instructors. They will explore the fundamental principles of engineering while building elaborate objects, structures and vehicles. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long-lasting. Our classes are not affiliated with The LEGO® Group. [For more information, visit www.play-well.org.](http://www.play-well.org)

Location: Bryn Mawr Community Center, 9 S Bryn Mawr Ave, Bryn Mawr

AM Session: 9:00 – Noon **PM Session:** 12:30 – 3:30pm

Fee: Per Session Resident/\$175 Non-Resident/\$210

Group Limit: 16 Participants

July 20 – 24

AM Session

Sports Lab using LEGO® Materials

Ages 5 – 7

Get ready to bring your favorite sports to life, from the basketball court to the sandy beach, in an action-packed LEGO® adventure! Spend the day with our fun and energetic Play-Well instructors as you team up to design awesome stadiums, build cool machines that mimic real sports moves, and create exciting games that you can play solo or with friends. Together, you'll use your creativity and teamwork skills to engineer, build, and compete, making every moment a blast!

PM Session

Pro Sports Lab using LEGO® Materials

Ages 7 – 12

Step into the world of sports engineering with our LEGO®-powered challenge! Guided by our energetic Play-Well instructors, students will collaborate to design and build advanced stadiums, engineer machines that replicate real sports movements, and develop innovative games. Throughout the course, teams will compete in fun, hands-on engineering challenges that test their creativity, problem-solving, and design skills all while building teamwork and engineering confidence one brick at a time!

August 3 – 7

AM Session

Dino Designs using LEGO® Materials

Ages 5 – 7

Travel back to the Jurassic era in this hands-on STEM adventure powered by LEGO®! Guided by our enthusiastic Play-Well instructors, young builders will return to the age of dinosaurs, using LEGO® to bring the time of the dinosaurs to life. Design and engineer secure habitats for gentle herbivores, embark on daring expeditions to track down elusive species, and uncover the secrets of powerful predator dinosaurs. Get ready for a dino-sized adventure packed with building, problem-solving, and imagination!

PM Session

Jurassic Engineering using LEGO® Materials

Ages 7 – 12

Dive into the world of dinosaurs through the lens of engineering and science in this immersive LEGO®-powered STEM course! Guided by expert Play-Well instructors, students will apply critical thinking and problem-solving skills to design and build secure habitats for herbivorous dinosaurs and go on expeditions to discover elusive species. This course challenges students to collaborate, innovate, and deepen their understanding of biology, engineering, and prehistoric ecosystems, all while bringing the Jurassic world to life, brick by brick.

CHESS CAMP, SHINING KNIGHTS

Ages 5 – 13

•ShiningKnights,LLC. •

Whether you are new to the game, learning to push pawns for the first time, or have played in numerous tournaments, and want to sharpen your skills, come to a Shining Knights Chess Camp! We have trained numerous state champions and national trophy winners. We have trained even more kids to enjoy the game that they can spend hours playing with friends and family. So, whether you want to win games in your living room against your parents or win tournaments in other states, come join us and learn how to play chess or play better chess! Campers receive a tournament-style chess set and a Shining Knights T-shirt.

Group Limit: 30 Participants

[For more information, visit www.shiningknightschess.com.](http://www.shiningknightschess.com)

Location: Bryn Mawr Community Center, 9 S. Bryn Mawr Ave, Bryn Mawr

Built by Me offers STEM robotics and coding programs geared to children in grades 1 – 5. Our mission is to teach children to create via technology. Our programs are all interactive, collaborative, hands-on, project-based, and focused on using technology to create and learn new skills while having fun! Within our tight age ranges we break our classes down even further, grades 1 – 3 and 3 – 5, so children can gain the appropriate skills at their level of maturity. [For more information, visit www.builtbyme.com.](http://www.builtbyme.com)

Location: Bryn Mawr Spring House, 9 S Bryn Mawr Ave, Bryn Mawr

Fee: Per Session Resident/\$338 Non-Resident/\$406

Group Limit: 10 Participants

August 3 – 7

AM Session LEGO® Robotics & Coding – Summer Fun Camp

Ages 7 – 9

This fun and interactive camp will introduce children to coding, robotics, and engineering using the LEGO® Spike Essential Education Robotics Construction Sets. Throughout the week, campers will combine hands-on STEM activities and team challenges to learn coding, problem-solving, and critical thinking skills. They will work in pairs on building models using sensors and motors that will allow them to code their prototypes to simulate amusement park rides. Young engineers will learn and gain confidence as they build and test their designs, reinforcing these concepts.

PM Session LEGO® Robotics & Coding w/ Scratch MIT – Summer Getaway Camp

Ages 9 – 11

This engaging and interactive camp introduces children to coding, robotics, and engineering through LEGO® Spike Essential Education Robotics Construction Sets. Throughout the week, campers will participate in hands-on STEM activities and collaborative challenges to develop coding, problem-solving, and critical thinking skills. They will work in pairs building models using sensors and motors that will allow them to code their prototypes to simulate means of transportation using Scratch MIT, a block-based coding language. Young engineers will build confidence as they design, test, and refine their creations, bringing their innovations to life!

August 17 – 21

AM Session LEGO® Robotics & Coding – Space Quest Camp

Ages 7 – 9

This dynamic and interactive camp offers an introduction to coding, robotics, and engineering using LEGO® Spike Essential Education Robotics Construction Sets. Utilizing sensors and motors, campers work in pairs to build and code models focused on space exploration. The camp incorporates a variety of hands-on STEM activities and team-building challenges. Through building, testing, and problem-solving, young engineers gain confidence while fostering creativity and innovation.

PM Session The Inventors Club – Camp Edition

Ages 7 – 10

Ignite Your Child's Creativity through STEM and Innovation! This program offers a unique blend of creativity, engineering, and hands-on learning. Everyday children will build exciting and challenging projects that combine science, engineering, and design thinking - constructing gadgets and simple machines that stretch their imagination. Young inventors will build their ideas step by step through fun, structured activities that spark curiosity, boost confidence, and develop essential problem-solving skills. Each session culminates in a take-home invention or two showcasing their creativity. New and unique projects everyday! Join us for an inspiring journey!

DRAMA CAMP, THEATRE HORIZON

Ages 7 – 12

In Theatre Horizon's Summer Drama Camp, young actors spend a week working as an ensemble to create an original play – full of drama, comedy, suspense, and one-of-a-kind characters. Professional teaching artists guide campers through playwriting basics and fun improvisation games. On the last day of camp, they perform their world premiere play for an audience of friends and family using props and costumes they made themselves! Drama Camp is a place to make new friends, build ensemble skills, take on leadership roles, and explore creativity. Curtain up!

June 29 – July 3

EXTREME STEAM! Art Camp

Boys and girls climb aboard this creative experience to become a 21st-century innovator! In this camp, you will translate Science, Technology, Engineering and Math concepts into Art creations. Using a variety of art techniques, we will make a flying machine like Da Vinci, design a rocket ship, create an aerial view drone map and much more. Challenge your imagination and creativity and become an EXTREME artist while you play games, make new friends and have extreme fun!

July 13 – 17

3D Art Creations

Join us for a fun-filled journey into the world of 3D! From making wind sculptures and crafting squishy paper toys to sculpting colorful hearts full of meaning, students will learn how to bring their creative ideas to life using a variety of art tools. We will dive into exciting hands-on projects while exploring the works of world-renowned artists such as Dale Chihuly, Yinka Shonibare, Maurizio Cattelan and others. Drawing inspiration from legends and myths, we'll create Chanchito pig sculptures and colorful rainbow animals. Whether you love to paint, sculpt, or invent, this camp is perfect for those who enjoy imagining big and creating boldly!

July 20 – 24

It's a Jungle Out There! Art Camp

Jump with us into this jungle adventure! Bring your best imagination and learn about the rainforest while you create animals, insects, reptiles, flowers and much more. Learn new art techniques and create friendly sloths, toucans, snakes, and piranhas. Find inspiration in the rainforest habitat and its people while you hear about their customs and create a tree house collage. We will have a wild time creating fun art projects, making new friends and playing games!

August 24 – 28

Art that Pops!

Get ready for a creative adventure where STEM and Art collide in the most POP-tastic ways. In this camp art jumps off the page! Students will explore creative art projects that sparkle, spin, pop and glow. We will create anaglyph images, design a rocket lava lamp, draw on expanding sponges and create monsters that pop right out of our imagination! Plus, we'll paint our own neon light signs and spin paper toys that transform into dazzling designs right before our eyes. We will have fun from the beginning to the end, inspired by Op artist Olympia Zagnoli, Neo-Folk artist Kristin Farr, Lothar Megendorfer famous for his pop-up books and Kasing Lung whose plush toys became a pop culture icon around the world! Using our wild imaginations and cool STEAM tricks, every day will bring a new surprise!

SUMMER PROGRAMS

HappyFeet classes are a fun approach to ensuring your child has an absolute blast while developing elite physical skills and self-concept. During this stage your child will flourish within our imagination-based curriculum. Not only will they begin to develop excellent gross motor skills they will also begin to develop a healthy recognition of their own self-concept! Here our class time jumps to 1 hour as we allow time to introduce fun, non-competitive games along with our imagination-based learning approach. During your child's time with us at this stage they will begin to learn basic and advanced soccer moves with the ball. These moves are then incorporated into the stories and games that we play with your children to increase repetition without it ever feeling like practice! For more information, visit www.happyfeetphilly.com.

Location: South Ardmore Park

Summer Session: Sundays July 12 – August 23 (7)

SOCCER SHOTS

Soccer Shots is the premier intro to soccer program in the United States teaching children soccer and character development through its innovative curriculum and imaginative games.

For more information, visit www.soccershots.org.

Location: Ashbridge Park

Fee: Per Session Thursdays Resident/\$180 Non-Resident/\$216
 Saturdays Resident/\$158 Non-Resident/\$190

Minis *Parents accompany child on field*

Ages 1.5 – 3

Soccer Shots Mini is a high-energy program introducing children to fundamental soccer principles, such as using your feet, dribbling and the basic rules of the game. Through fun games, songs and positive reinforcement, children will begin to experience the joy of playing soccer and being active.

Summer Session 1: Thursdays 4:30 – 5:00pm June 18 – August 6 (8) **Limit:** 24 Participants
Summer Session 2: Saturdays 8:45 – 9:15am June 20 – August 8 (7) No Class 7/4 12 Participants
Summer Session 3: Saturdays 9:30 – 10:00am June 20 – August 8 (7) No Class 7/4 12 Participants

Classic

Ages 3 – 5

Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing and shooting. We also highlight a positive character trait each session such as respect, teamwork and appreciation.

Summer Session 1: Thursdays 5:10 – 5:50pm June 18 – August 6 (8) **Limit:** 24 Participants
Summer Session 2: Saturdays 8:45 – 9:25am June 20 – August 8 (7) No Class 7/4 12 Participants
Summer Session 3: Saturdays 9:20 – 10:00am June 20 – August 8 (7) No Class 7/4 12 Participants
Summer Session 4: Saturdays 10:05 – 10:45am June 20 – August 8 (7) No Class 7/4 12 Participants

Premier

Ages 5 – 8

Soccer Shots Premier focuses on individual skill, fitness and sportsmanship, providing an opportunity for children to be challenged through fun games and team interaction. Children will also be introduced to competition in a developmentally appropriate manner.

Summer Session 1: Thursdays 6:00 – 6:40pm June 18– August 6 (8) **Limit:** 24 Participants
Summer Session 2: Saturdays 10:05 – 10:45am June 20 – August 8 (7) No Class 7/4 12 Participants

SOCCER, ROYAL T

Ages 7 – 14

Royal T Soccer programs focus on development of individual and ball skills rather than tactics of the game. The best academies in the world first teach skill foundation at a very technical level, this frees the players to focus on the tactics later. Tactics as simple ball skills are anything but. The level of tactical ability is dependent upon the skills attained with the ball. Royal T utilizes the Ajax system, a

definitely proven world class system of teaching the skills of the game.

Group Limit: 15 Participants

LACROSSE, LOWER MERION LACROSSE CLUB

Ages 6 – 12

LOWER MERION LACROSSE CLUB

Lower Merion Lacrosse Club is passionate about developing athletes into fundamentally sound lacrosse players who love the game. They strive to provide a safe and positive atmosphere that breeds grit, competitiveness, determination, and tenacity. The Club offers a variety of different programs to support the growth of players at all levels of development. This includes year-round development clinics, travel teams, summer lacrosse camps, and specialized goalie and faceoff training. Lower Merion Lacrosse Club's clinics are intended for players who are new to the sport and for established players who want to get more reps. The clinics teach fundamental lacrosse skills, such as passing, catching, dodging, cradling, and shooting. [For more information, visit www.thelmlc.com.](http://www.thelmlc.com)

FINE ART, KIDS LOOK LISTEN CREATE

Ages 4 – 8

Kids Look Listen Create teaches classical music and fine art appreciation programs with stories, games, movement, and crafts. Their mission is to expose young children to classical music and fine art through active engagement, stimulate imagination and encourage unlimited interpretations of works of art and classical music, promote childhood creativity and play by offering creative movement and open-ended crafts, and encourage ecological values by using natural and recyclable materials during the crafts. [For more information, visit www.kidslooklistencreate.com.](http://www.kidslooklistencreate.com)

Fine Art

In this 5-week program, children will be introduced to famous artists and their art through stories and games. We will examine paintings and environmental art, identify portraits and landscapes, and reflect on how various works of art make us feel and what we consider “art.” Children will become familiar with the art of Monet, Gauguin, Renoir, Klimt, and Christo and Jeanne-Claude. Each class will conclude with an open-ended craft inspired by the art, stories, and presented materials.
